

# ANDREA PAFFI

## JOB EXPERIENCE

### Captain

1st Regiment Antares - Viterbo(VT) | Gen 2016 – until today

#### Job Occupied:

- Officer in Charge at Operations Training and Information Office;
- Logistics Command Squadron Commander;
- Flight Squadron Commander;
- TUAS pilot in Resolute Support Operation, Herat.

#### Mission or Task:

- Managed a company of 150 soldiers;
- Optimized the employ of transports and operators, distributing the loads considering the high level of vehicles inefficiency and the personnel scarcity;
- Managed a warehouse teaching personnel the inventory approach and implementing the use of real-time control tools;
- Developed a new approach in pre-deployment personnel management, including time tables and training courses;
- Developed a live database able to link real-time: flight records, pilots' deadlines, training progresses and helicopters usage stats.

### Lieutenant

1st Regiment Antares - Viterbo(VT) | Dec 2014 – Gen 2016

#### Job Occupied:

- Logistics Command Squadron Deputy Commander;
- Flight Squadron Deputy Commander.

## PROFILE

I am an Italian Army Pilot Officer, I have good problem solving skills and great personnel management attitude. I'm willing to test myself out of my comfort zone. I am obsessed to find solutions with a long term view, create new procedures, new tools and always trying to automatize and simplify processes. I love challenges and I hate wasting time.
